April 25, 2013

# VENTURA RIVER COUNTY WATER DISTRICT WATER WELLS

Fault creates  
underground dam

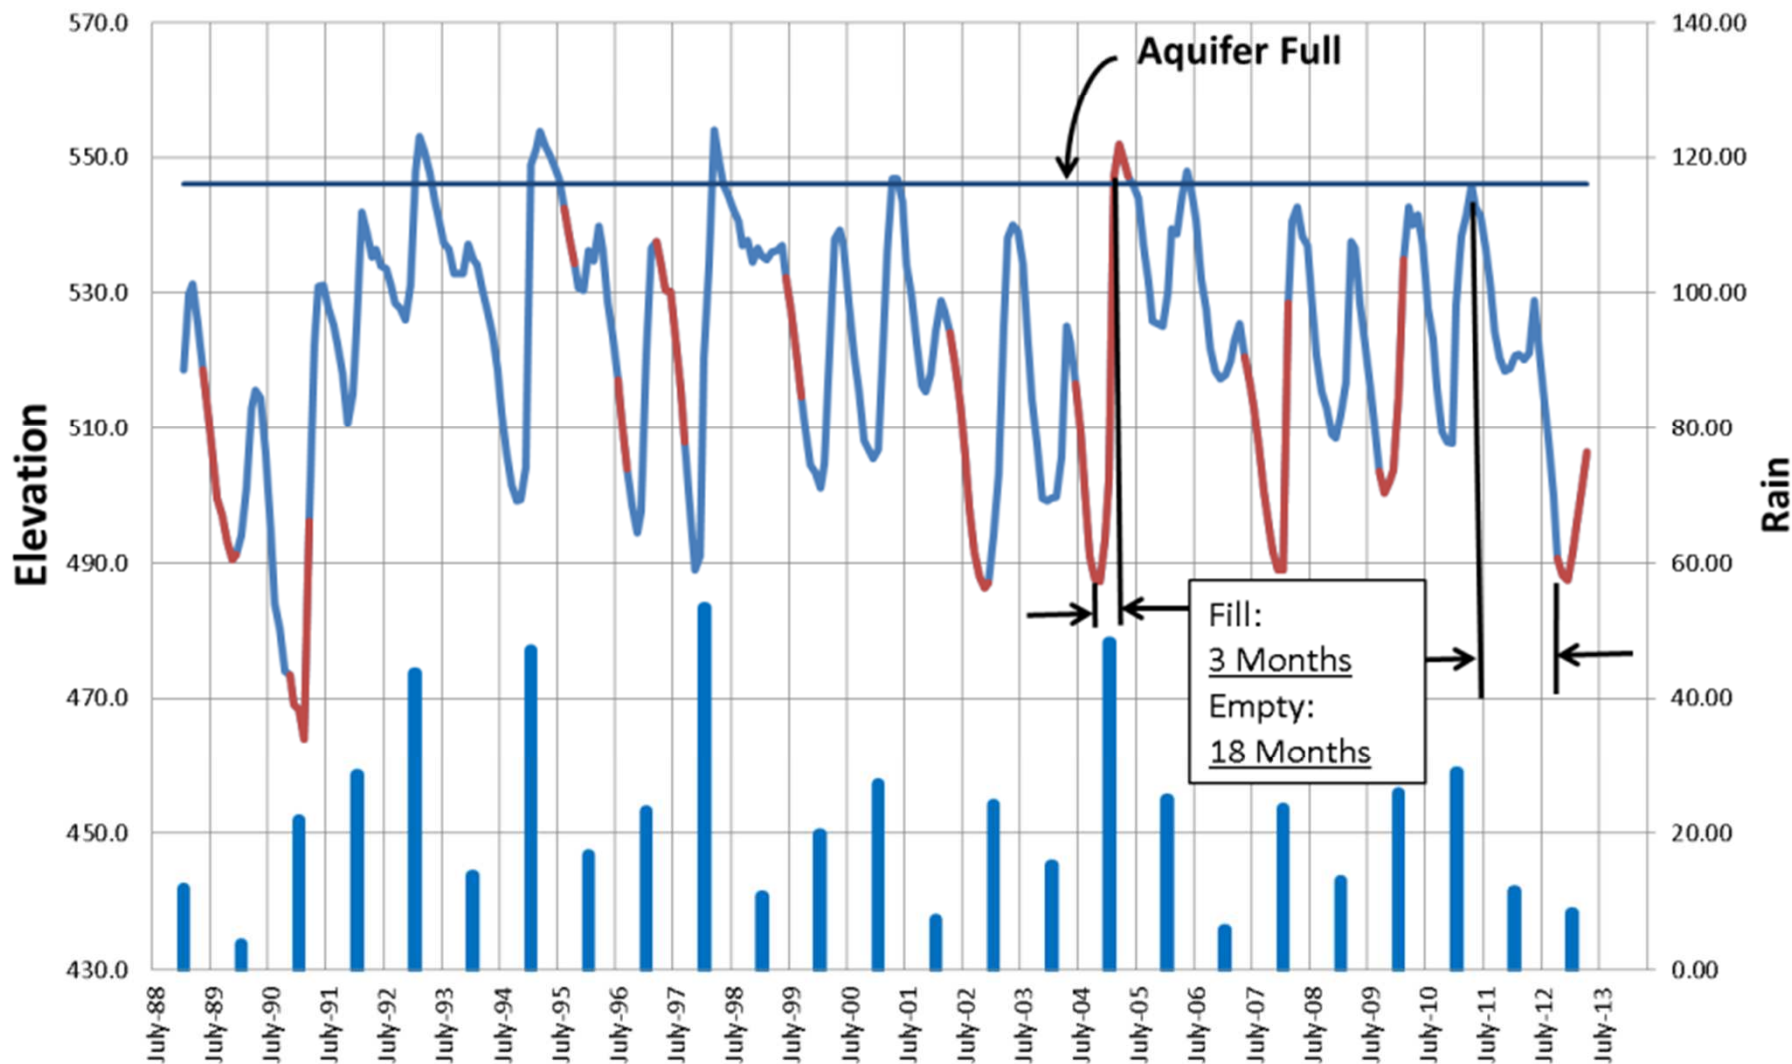

Dry reach of upper  
Ventura River

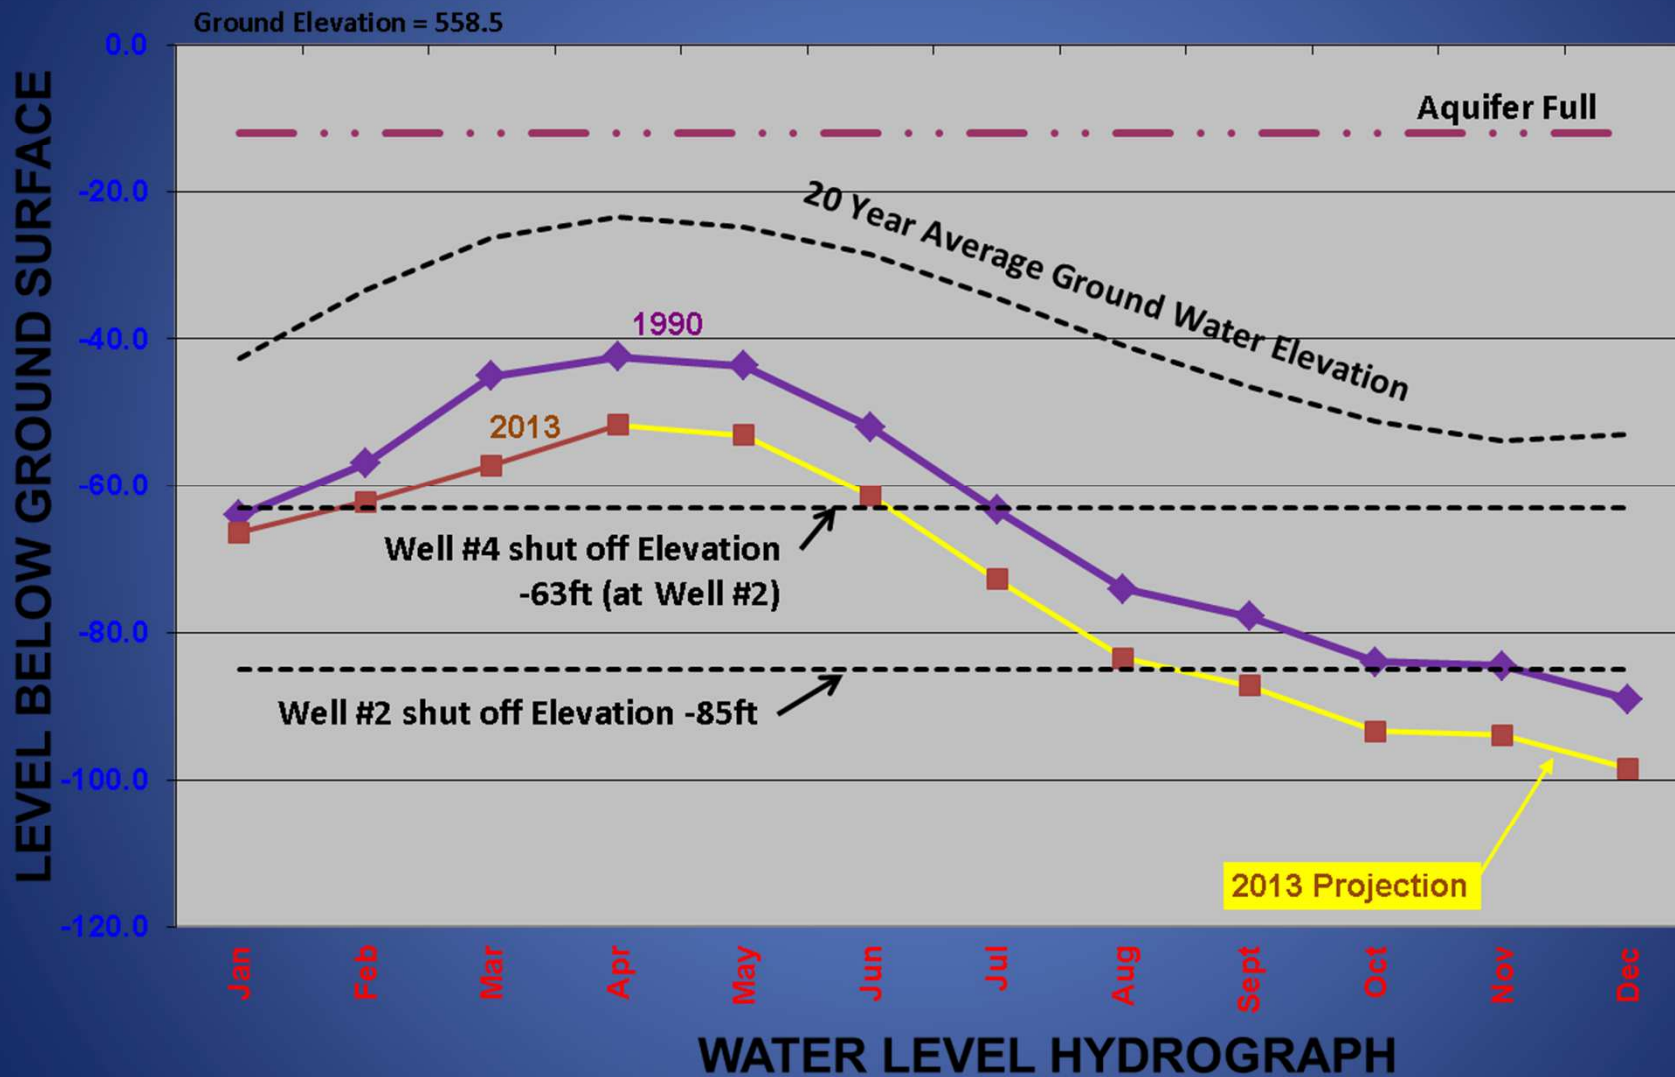

VRCWD Wells

## VENTURA RIVER UPPER BASIN AQUIFER LEVELS at VRCWD Well #2

■ Rain    
 — Aquifer Level Below Well #2    
 — Casitas Water Used by VRCWD    
 — Aquifer Full

# AQUIFER LEVEL BELOW WELL # 2 FIRST DAY OF MONTH

# 2013 A GREAT YEAR TO INVEST IN WATER CONSERVATION

- Pass through of Casitas water cost will be \$0.25 to perhaps \$1.00 per unit
- Replace your lawn with an ocean friendly garden
- Install a grey water irrigation system
- Get an intelligent irrigation controller
- Put in drip irrigation
- Other great ideas .....
